
A MESSAGE FROM FR. GODFREY MULLEN

Recently I announced to the priests of the diocese that Fr. Patrick McDevitt, CM, tendered his resignation from the positions of Chancellor and Director of Planning and Mission. In just a few months, Fr. Pat had directed more than a dozen listening sessions throughout the diocese. Happily, the notes from all those listening sessions will be reviewed carefully for continued planning. While Fr. Pat's departure creates a wrinkle in the forward movement of *Servants on Christ's Mission*, the original pastoral plan promulgated by Archbishop McGovern in 2024, which set the direction for the past several months, remains in force. The priorities of that plan remain important: **ministry to youth and young adults, support of family life, development of faith formation, revitalizing parish life and ministry by growing God's family.**

Soon, I will be engaging the Diocesan Pastoral Council, the College of Consultors, and the Diocesan Staff, among other groups, to discuss ways to maintain the energy brought about from the listening sessions and to plan a way forward until a new bishop is appointed and takes up this work. Your prayers are a very important part of our future. Your input remains vital to the plan God has in mind.

The pioneers of our parishes, people who left behind parishes they loved and founded new parishes when the time came, remain a powerful model for us and might rightly inspire us to ask what we might be asked to do, to offer, to sacrifice in the days ahead. Some have already faced sharing a pastor with another parish or two. Some parishes collaborate on important faith formation opportunities like OCIA (Becoming Catholic), religious education, and baptismal preparation. The challenge for all of us will be to envision a future that is filled with grace, a future of goodness that God has in mind for us so that instead of ministering to buildings, we will grow the family of God. During this Jubilee of Hope, we have every reason to hope. While there may very well be more sacrifices that are required of all of us, there will be so much more grace, so many more blessings.

May God bless our beloved Diocese and lead us forward in genuine faith, toward the Kingdom Christ established, the Kingdom we, as disciples of Jesus, are commanded to increase. God bless you all. Count on my daily prayers. And please pray for me!

Pope Leo XIV's
Prayer Intention for July

For formation in discernment

Let us pray that we might again learn how to discern, to know how to choose paths of life, and reject everything that leads us away from Christ and the Gospel.

Pursue a lasting love

Synodal Listening Session for Social Services/Ministries

On Pentecost Sunday 2024, Bishop Michael McGovern called the Diocese of Belleville to come together in a spirit of prayer, discernment, and dialogue on where God is calling the Church of Southern Illinois.

The name of our Diocesan Pastoral Plan is "Servants on Christ's Mission." The aim of Servants on Christ's Mission is to revitalize our relationship in Christ and to deepen our commitment to serve Christ's mission to proclaim the Good News.

Everyone who participates in any of the wide varieties of social ministries within the Diocese of Belleville is invited to a morning of prayer and discussion about our future call as a Diocese. This will be an opportunity to share ideas, hopes, and dreams about our Church.

The date for the meeting is **Saturday, August 2, 2025, 9:00 a.m. – noon in the Fellowship Hall at St. Mary Church, 1550 Main Street, Mount Vernon, IL.**
